

UNDERSTANDING YOUR MOON CHART

INCLUDES THE FOLLOWING

Your moon chart is a very important chart equal to the birth chart. As it shows how you see the world, all kinds of thoughts you carry in your mind. For example, the 1st house of the moon chart shows how your mind is, how you see the world. The 2nd house can show what you think of your family, your wealth, your finances, etc, your 7th house shows what you think about your partner, the kind of partner you want. So, by this way we can understand your mind, because our thought pattern can change a lot about us.
