- **High quality products**

Our products are all made of high quality and durable materials so you can cook with confidence.

- Thermal guard insulation
- R3 Interior- Radiates, reflects, retains heat to save you fuel and make cooking easier.

# PORTABLE WOOD-FIRED OVENS

## WOOD-FIRED MEALS WHEREVER YOU GO

Whether hosting get togethers with your friends and family, hitting the links, or camping, WPPO's wood-fired ovens and accessories make outdoor cooking an experience to remember! Our portable ovens have an easy design with foldable legs, so you can easily take your wood-fired oven anywhere. WPPO's portable line also features a peephole located on the front door, so you can check your food without releasing the heat!

Cooking with your portable oven is effortless and entertaining! Simply load the rear firebox with small hard wood or fruit wood chunks, wood pellets, or charcoal and wait for your stone to reach approximately 650 degrees, and use the peep hole to monitor your creations.

### Le Peppe in Red or Black

Enjoy wood-fired cooking anywhere with the Le Peppe portable outdoor wood-fired pizza oven. An easy load fire box allows you to cook using your favorite wood chunks, wood chips, pellets, or charcoal. Lighting the oven is simple thanks to a high-flow downdraft system.

- 11 mm cordierite baking stone included for heat retention
  - Made of durable stainless steel
- Double-walled oven fire blanket insulation
  - 33 lbs ; 31.5L x 16W x 33H

**WKE-01-RED**

**WKE-01-BLK**

### Lil Luigi

From backyards to tailgate parties, the Lil Luigi goes wherever you want to enjoy wood-fired flavor. Made with premium stainless steel, this portable oven is big on quality, durability, and heat retention. An easy load fire box allows you to cook using your favorite wood chunks, wood chips, pellets, or charcoal. Lighting the oven is simple thanks to a high-flow downdraft system.

- Comes with a dual purpose oven cover/carrying bag, a pizza peel, pizza cutter, and a coal poker.
  - 32 lbs ; 31.5L x 16W x 33H

# YOU DESERVE GREAT KARMA!

## ZEN AND THE ART OF PIZZA!

The Karma Line is a customer favorite, and is sure to provide enjoyment for years to come in your outdoor space!

The Karma series is built for quality and withstands high temperatures of up to 900 degrees. All Karma ovens are constructed with 304 stainless steel, and are wood powered. Simply build your fire in the middle of your oven, push your fire to the back using your heat deflector (included with every Karma oven), and cook your meal right in the middle of your oven! If you can light a fire starter, you can create the perfect wood-fired meal!

Our Karma series is the perfect option, as there is a size for every purpose. This oven line is truly versatile, providing the customer with every option they need! Whether the factor be color, size, or placement, we have you covered!

- High quality stainless steel and powder coated finishes for long lasting results.
- Even heat fire brick
- Thermal guard insulation
- R3 Interior - Radiates, reflects, retains heat

### Karma 25" Color With Cart

# THE OVEN WITH VERSATILITY!

## DUAL FUELED WITH WOOD AND GAS POWER

WPPO's Traditional 25" outdoor oven provides you with versatility in your cooking adventures. Switch off and on from wood-fired to gas whenever you please!

No need to buy a wood-fired oven *and* a gas oven when you can purchase both at the same time! Save money, save time, and cook your meals to their full potential with the Traditional 25"!

Our gas attachment is easily removable. When cooking with wood, replace the gas attachment with the included stainless steel handle so that you don't release the heat! The Traditional 25" is sold with an included cart.

### Traditional 25" Dual Fueled Oven in Red or Black

Need the perfect hybrid oven? The Traditional 25" Wood Fired Oven features a 33,000 BTU gas attachment, making this oven truly versatile! With a flaming hot temperature, this WPPO oven can give you a perfected meal in minutes. Cook your favorite meal outdoors with heat that keeps you warm on a chilly night with friends and family.

- Gas attachment included
- 156 lbs ; 31L x 29.25W x 76.25H

# LAVA OUTDOOR OVEN

WPPO's Lava series of outdoor wood-fired ovens is a conversation starter every time! The Lava oven is always the center of attention, leaving you and your guests completely wowed! Like all of our ovens, the Lava series is simple to use, and leaves your food with great wood-fired flavor.

While its convection fan can circulate heat and reignite the flame with ease to create a consistent heat and healthy fire, the digital thermostat helps monitor both deck and air temperatures. This oven comes in three sizes, includes a meat probe, and features an eye-catching mosaic outer shell.

### LAVA 28"

Innovation has never tasted so good! Are you ready to take your wood-fired cooking to the next level? WPPO's newest pro-series line is the perfect marriage of authentic wood-fired cooking and high-tech control.

The Lava 28" is a great space-saving option that accommodates a single pizza or dish at a time, and is for countertop use.

- 365 lbs ; 28L x 28W x 24H
- Adjustable feet

**WKPM-D700**

### LAVA 40" and 48"

The Lava 40" and 48" are the perfect outdoor ovens that grab attention every time. The unique outer shell creates the perfect conversation starter, whereas the interior design creates the perfect meal! The Lava 40" and 48" both feature a durable stand so you can cook with ease!

- Available as 40" and 48"
- Stand included
- Lava 40": 1,027 lbs ; 42L x 42W x 58H
- Lava 48": 1,343 lbs ; 48L x 48W x 62H

# DO IT YOURSELF (DIY)

## GET A TASTE OF TUSCANY- DO IT YOURSELF SERIES

Get the perfect authentic Tuscany look with the Do-It-Yourself (DIY) series! This oven series comes as a kit so you can enjoy the five hour experience of piecing the oven together yourself. Bond with family over this fun outdoor project, or pat yourself on the back for making this oven completely your own! The DIY series allows you to put any exterior on the oven you can think of (as long as it is durable for outdoors and safe for heat). Complete your outdoor oven with your own unique style using stucco, tile, or leave as is! The DIY series is the perfect back yard addition to make any outdoor space match your style and home exterior. Additionally, the DIY retains heat for several hours, allowing you to provide wood-fired meals for hours! Each DIY kit comes with every piece you need to complete your oven, other than your chosen exterior finish. Have any questions on what type of finish to use? Just call!

# EVERY ACCESSORY YOU NEED FOR A FUN & EASY COOKING EXPERIENCE

## FAMILY, FRIENDS, & FOOD

At WPPO, we make outdoor cooking a fun and enjoyable experience. Create perfect wood-fired meals using only the best accessories to pair with your outdoor oven!

From pizza peels to oven care, we have you covered (literally). Grab your favorite utensil, or purchase an oven cover to protect your outdoor investment from Mother Nature. All of our outdoor accessories are made of high-quality and durable materials so that you can cook with confidence.

Whether you're cooking for a fun new hobby, to serve your customers at a brewery, or competing in cooking competitions, you'll soon find that using WPPO products is just as fun as eating the meal!

- Constructed with durable materials
- Long lasting
- Brushes, dough mix, pizza peels, accessory bundles, wood maneuvering tools, ash vacuums, and more!

### WOODEN PEEL AVAILABLE IN 12" & 14"

WKLP-12-2 & WKLP-14-2 - COMES IN PACK OF 2!

Our beautifully crafted New Zealand Wooden Pizza Peel is famous for its sturdy, yet lightweight basswood. Add this peel to your kitchen and you'll soon find making pizza is almost as much fun as eating it! Its even texture combats cracking, and unlike many wood types, it does not secrete oils that can alter your food's flavor.

### LONG HANDLED WOODEN PEEL AVAILABLE IN 14" X 36" & 16" X 36"

WKLP-1436-2 & WKLP-1636-2 - COMES IN PACK OF 2!

Easily launch your pizza into WPPO's commercial sized ovens using our New Zealand wooden peel! Avoid the burn while using the peel that can easily insert your delicate meal from a distance!

### ROUND TURNING PEEL AVAILABLE IN 7" & 9"

WKRP-01 & WKPA-9peel

Easily rotate your food items in hot ovens! The long handle assists in keeping one's hands safe, and provides you with the grip you need while keeping a safe distance. This tool is a necessity to make cooking wood-fired pizzas simple! The round handle provides you with the grip you need, while a secondary plastic handle slides up and down to keep you safe while having the ability to adjust your distance

### BADASS BACKYARD COOKING COOKBOOK, NBBQA 2022 COOKBOOK OF THE YEAR!

WKB-BOOK

Badass Backyard Cooking is an inspiring and visually beautiful cookbook that focuses on outdoor grilling, smoking, and cooking. It's 288 pages are filled with 140 different recipes, all supported by mouth-watering food imagery. The book is divided into 10 food categories: Appetizers, Beef, Poultry, Pork, Seafood, Game, Tacos, Pizzas, Sides and Desserts.

### 12" PROFESSIONAL ALUMINUM PEEL

WKPA-PEEL12

Perfect your technique of launching your pizza into the oven with the 12-Inch Aluminum Pizza Launch Peel. With a little practice, this launch peel will help you become an expert at your craft.

### ALUMINUM PIZZA PEEL AVAILABLE IN 14" X 38" AND 16" X 40"

WKPA-1438W & WKPA-1640W

This durable aluminum peel provides a slide so effortless and smooth you'll want to make another pizza just to repeat the experience.

### FOLDING PEEL WITH WOODEN HANDLE

WKPA-1225WF

This pizza peel features a foldable design made with a lightweight, yet heavy duty construction. Not only is it 100% dishwasher friendly and easy to clean, but it is also built to accommodate a wide range of commercial and at-home oven types.

### PIZZA STONE CLEANING BRUSH

WKPA-BRUSH36

The WPPO 36-inch-long Pizza Stone Cleaning Brush is the perfect size for brushing off debris in your grill or oven. This brush features a metal scraper with notched ends for cleaning and removing tough debris and is designed for durable cleaning use.

### COAL RAKE

WKPA-COALRAKE

This 48 in. Coal Rake for wood-fired pizza ovens has a long aluminum handle, which allows you to arrange hot coals and wood while keeping a safe distance.

### FORGED STEEL WOOD PLIERS

WKA-WP1

Keep a safe distance from the heat while maintaining control when handling fiery wood pieces in your wood-fired oven with WPPO's forged steel pliers.

### 3 PIECE MINI UTENSIL SET

#### WKPA-MINI3

Perfect for smaller wood-fired ovens, this stainless-steel, ergonomic 3-piece kit includes a cleaning brush with scraper, round peel, and square utility peel. This accessory kit is perfect for any portable or small backyard wood-fired oven.

### 4 PIECE PRO UTENSIL KIT

#### WKPA-01

A true master of wood-fired cooking knows when it comes to tools... function and quality trump quantity. This aluminum 4-piece set provides all the tools you need to produce fantastic wood-fired results. Ideal for medium to extra-large ovens. Includes square transfer peel, round turning peel, coal rake, and oven brush.

### WOOD FIRED OVEN TOOL HOLDER

#### WKA-TH1-BK

This handy, utensil holder provides the perfect home for WPPOLLC's premium peels and other tools. Able to hold up to 6 items, you can ensure your supplies are in arm's reach whenever you're getting "fired up" for wood-fired cooking.

### ROLLER PIZZA CUTTER

#### WKA-PC01

Once you experience the beauty of this durable cutter's construction, premium stainless-steel blade and ergonomic grip, you'll fall in love with its smooth, effortless cutting ability. Remove the safety shield for easy cleaning.

### INFRARED THERMOMETER

#### WKA-ITHERM

Wishing for an easy way to check your wood-fired oven's deck temperature? Don't sweat it! With ranges up to 1112 F, this tool is ideal for measuring the surface temperature of a hot oven floor or pizza stone.

### HEAT/ FLAME DEFLECTOR AVAILABLE IN 12" & 16"

#### WKA-FS300 & WKA-FS400

Adjust your meal's heat exposure to produce the perfect pizza crust or wood-fired meal with this WPPOLLC heat deflector.

### ARTISAN STYLE CRUST MIX

WKM-XX2

Our chefs have formulated WPPPO's Artisan pizza dough mix to produce an exquisitely soft crust and crispy bottom that will have your guests begging for the secret behind your perfect pizza! Just add water then take the credit!

### WPPPO TUMBLER AVAILABLE IN 1 PACK OR 4 PACK

WKA-TBLR1 & WKA-TBLR4

Pair your favorite drink with your freshly cooked meal, all while enjoying the full WPPPO experience. Our tumblers come both individually and in packs of four so that you can get fired up with friends and family for an abundance of gatherings!

### 120V CORDED ASH VAC

WKAV-120V

This corded version of our popular ash vacuum provides 1200 watts of suctioning power. Featuring a sturdy steel canister, HEPA filter and flame-retardant filter, WPPPO's ash vacuum is a must-have!

### PIZZA BAKING STONE

WKST-15R

Take your pizza crust to the next level with this stone that works in any indoor or outdoor oven. Our baking stone is designed to retain high heat and produce a superior, crispy crust without burning your toppings.

### OVEN COVERS

AVAILABLE IN VARIOUS SIZES

Protect your investment with a premium cover constructed to stand up to Mother Nature available in various sizes. WPPPO oven covers feature unmatched strength and durability.

### 18V RECHARGABLE ASH VAC

WKAV-01

Our customers appreciate the durability and peace of mind this vacuum provides, designed to safely collect and securely store ash. Great for cleaning wood stoves, pellet stoves, fireplaces, fire pits, and BBQ grills.
