

THE  
"WORLD'S LARGEST LAUNDROMAT"

**The World's Largest Laundromat** is located in Berwyn, Illinois and located about 10 miles from downtown Chicago. The laundry size totals 13,500 Sq. Ft. with over 140 washers and 170 dryers, with tons of folding tables, a kids play area, a snack area with booth seating and a bird aviary along with other themes and features throughout the complex.

The theme here is Community. The owners are Tom Benson and his sons Eric and Mark. They demonstrate this in every way possible, In Toms words "We pride ourselves in Treating customers and our employees like family. We have installed the best washers and dryers, we utilize technology and take being Green seriously. We even use a solar system for our customers' hot water. We believe in making doing laundry fun all year.

They are open 24 hours and also operate a very busy Fluff & Fold service.
