## Weekly Soccer Skills Program for Schools!

Dear Parents and Guardians,

Euro Pro Soccer Academy is pleased to launch its NEW extra-curricular program for school children of all skill levels and align with the Ontario Physical Literacy Education Curriculum!

Euro Pro Soccer Academy provides age specific activities following a curriculum that will allow children to be active, increase fundamental movements like running, jumping, throwing, and kicking in the soccer setting.

This will be a 10-week program starting Friday Feb.9 – June.4,2018 during lunch break (**Dates excluded Feb.16, Mar.16,30**).

The sessions will be taught in a fun but structured environment by UEFA A Licence coach Christian Giovannini who has over 25 years experience as a Professional player and Coach in Italy.

## The program focuses on Physical Literacy and Fundamental movements in Soccer:

- Ball Mastery
- Passing & Receiving
- ABCs (Agility-Balance-Coordination) with the ball
- Getting kidz engaged!
