We're especially looking for **activities geared toward teens and young adults**, as these were among the top requests in the **2024 post-festival survey**. We have provided a list of those requests on the next page for your brainstorming,

💡 Whether you're planning a fundraiser, an interactive game, a performance, or a pop-up activity, this is a great way to get involved. There's **no fee to host an event**, and it's a great chance to showcase what you do.
