NEW JAZ PRO from JAZ USA

JAZ PRO STRINGER BEAD WHEELS

JAZ PRO #44242

6-7/8" x .020" ST x 5/8"-11"

JAZ has introduced to the market a new line of JAZ PRO STRINGER BEAD WHEELS in 4-1/2", 6" and 6-7/8" diameters. JAZ PRO was engineered and manufactured to our same JAZ standards in our ISO 9001:2000 state-of-the-art manufacturing facility. Because of this, the JAZ PRO is not only a cost-effective alternative, but they are the best in their class!

JAZ also offers the lowest freight prepaid in the industry at \$250 and orders placed by 4:00 PM EST ship same day!

See the chart below for available sizes of our NEW JAZ PRO stringer bead wheels. Note: All arbor hole sizes are 5/8"-11.

Diameter	Wire Size	Wire Type	No. of Knots	Face Width	Max RPM	Standard Box Qty	Item No.	Promo Price (ea.)
4-1/2"	.020"	Carbon	32	3/16"	20,000	10	48042B	\$4.21
