A letter from RAD Sports' owner, Russell Miller...

Hello!! Thank you for taking the time to look at our new SUMMER RAD'sketball & RADi-SET-CHEER LEAGUE Info Packet. The RAD FAMILY is about to embark on an exciting adventure utilizing our brand new expansion and wood basketball court. We hope your athlete will help us break it in this Summer!! We've done our best to pack as much info into this packet as possible, but we must admit, it is a lot to take in. So please take your time, read it more than once, and most importantly, **DON'T HESITATE TO CALL & ASK QUESTIONS...** or stop by for a visit!!

As you read thru the packet and it becomes too much to digest, just come back to these core things:

1. RAD will be hosting a 3-v-3 youth basketball league this Summer similar to but unlike any other!
2. Weekly practices & big production Games!!
3. Cheerleading squads will be formed to cheer & perform halftime shows at the weekly Games.
4. So... you can play basketball, be a cheerleader, or do both!!
5. If you want to do more over the Summer than just a team, sign up for basketball or cheerleading 1/2-day skills camps, Mon-Wed, 9am-1pm starting in June.
6. If you need additional childcare after basketball/cheer camps, or on Thursdays or Fridays, sign up for RAD's SUMMER FUN CAMPS!

That's the jist of it! Everything else is just details and we are here to help make sense of them!! The biggest confusion can come from the various options available to you for package deals on multiple services. If you need help sorting it all out, just give us a call... 512-318-0022... we're here to help!!

Thank you again for checking out RAD SPORTS!! We're looking forward to a RAD SUMMER!!

RAD'sketball 3-v-3 LEAGUE DETAILS

REGISTRATION DEADLINE is MONDAY, APRIL 26th!! LATE REGISTRATION ENDS APRIL 28th!!

TEAMS & DIVISIONS

Teams will consist of 4 to 7 athletes, ages 5 to 15, and aiming for boys and girls teams in two to four age divisions each. (8U, 11U, 14U, etc.) Rosters will be set and practice times determined once registration closes and we have a final tally of athletes.

The youngest division (i.e. 8U) will play as a mixed league while any divisions over 10-years-old will split into boys and girls teams when possible. There are also plans in place for mixed teams across all ages in the unlikely occurrence that there are not enough athletes to split competitively. This would be achieved by utilizing mandated line switches during games similar to hockey to ensure fairly matched play and equal participation. (i.e. BvB, GvG, MixedvMixed)

Each division will consist of no less than three (3) teams and no more than six (6). Max 42 roster spots per age division.

TEAM PLACEMENT & COACHING ASSIGNMENTS

Each & every athlete will be rostered and welcomed onto a team regardless of age, skill, or experience! Each athlete will be greeted by their coaches for the session featuring local High School Players on RAD's staff and any parents that want to jump in as volunteer coaches!!

- Answers provided in your RAD'sketball Family Survey
- Coach observations from the Preseason Combine Workouts hosted in late May (TBD/TBA)
- Age & Basketball Experience
- Keeping friends and former teammates together
- Spreading out strong athletes to create parity in the league

TEAM PRACTICES & ABSENCES & APPAREL

Each team will be assigned a set weekly practice day and time. Practices will be held Monday-Thursday afternoon/evenings as well as there will be a couple options for Thursday morning teams.

It's the summer... we are not stressed about missing practices!! Take your vacations!! RADi-SET-CHEER SUMMER CHEER SQUAD DETAILS

REGISTRATION DEADLINE is MONDAY, APRIL 26th!! LATE REGISTRATION ENDS APRIL 28th!!

SQUADS & DIVISIONS

Squads will consist of 8 to 12 cheerleaders, ages 5 to 15 with no limitations on age within the teams formed. The age ranges will be much more variable than the 3-v-3 teams. As each team will aim to build stunts & pyramids, we simply need to form as many functional groups as possible. The number of squads, team placement, and practice times will be determined once registration closes and we have a final tally of cheerleaders.

SQUAD PLACEMENT & COACHING ASSIGNMENTS

Each & every cheerleader will be rostered and welcomed onto a squad regardless of age, skill, or experience! Each will be greeted by their coaches for the session featuring local High School Cheerleaders on RAD's staff and any parents that want to jump in as volunteer coaches!!

The following factors will be used in rostering teams:

- Answers provided in your RADi-SET-CHEER Family Survey
- Coach observations from the Preseason Combine Workouts (hosted late May, TBD/TBA)
- Age, Cheerleading Experience, and assigned stunting role
- Keeping friends and former teammates together
- Spreading out strong athletes to create stronger squads

SQUAD PRACTICES & ABSENCES & APPAREL

Each squad will be assigned a set weekly practice day and time. Potential practice times will be assigned Monday-Thursday afternoon/evenings as well as a few options for Thursday morning practices.

It's the summer... we are not stressed about missing practices!! Take your vacations!! Missed practices can be made up in another squad's practice or in one of RAD's other instructional programs like tumbling or Ninja Warrior through the use of a make-up tokens. Session 1 absences can be made up in Session 2. There will be options to make-up missed games as well.

Cheer tops will be available for purchase or loan paired with your own black shorts or skort. Any cheer shoe is acceptable.

PRESEASON CIRRICULUM & COMBINE

In early May, we will post a video link containing a few cheers and dances to learn before the season starts... just a little headstart so their first practice is not so overwhelming. These will be rehearsed at a Preseason Combine hosted in late MAY (TBD/TBA)

GAME SCHEDULE, HALFTIME SHOWS & END-of-SESSION EXTRAVAGANZA!!

Sn1= Game 1 - 6/7, Game 2 & Game 3 - 6/14, Game 4 - 6/21, Game5 & Game6 - 6/28, EXTRAVAGANZA Sunday, 7/13
Sn2= Game 1 - 7/12, Game 2 & Game 3 - 7/19, Game 4 - 7/26, Game5 & Game6 - 8/2, EXTRAVAGANZA Saturday, 8/9

Each week's games will feature halftime shows performed by the RADi-Cheer Squads. All cheerleaders will participate, but be aware that their part/role in the routines could be changed or influenced by absences the week prior. Everyone will know the main parts of each show, but stunt groups, tumbling passes, etc, will change based on who is present that week.

The End-of-Session Tournament will feature a combined show Extravaganza with all cheer squads performing together for the one and only time that session along with performances from the RADCATS Comp Team, the RAD Ninjas & More!!
