

**THA ANNOUNCES ENTERTAINMENT
FOR ITS 2022 ANNUAL MEMBER'S MEETING
(June 26th - 28th); *Private Performance on the 27th!***

YOU MUST WEAR YOUR EVENT CREDENTIALS TO ATTEND THIS EVENING

WADE HAYES

(6 Hits charted in the Billboard Top 10!)

Country music's power has always been in its ability to reflect real life, and few artists have a stronger gift for capturing both heartache and hope than Wade Hayes. In the past few years, the singer/songwriter has navigated a complicated journey that has produced some of the most potent songs of his already impressive career. Surviving stage IV colon cancer, not just once but twice, has given Hayes a unique perspective of the fragility of life and the strength of the human spirit. Those lessons learned ('Reflections', if you will) are embodied in the many songs contained in his album entitled 'Go Live Your Life'.
