# Accident Information Checklist

*Documenting the correct information at the scene of an accident is vital. Failure to do so may prevent you from pursuing a claim against the at-fault party for your damages.*

*If you are involved in an accident you will want to gather the following information before leaving the scene:*

- **Insurance Information** Including:
  - Insurance Company Name
  - Policy Number
  - Photo of Front & Back of Insurance card
- **Registration Information** Including:
  - Name & Address of Registered Owner
- **Drivers License Information** for all Drivers, Including:
  - Name
  - Driver License Number
  - Address
  - Date of Birth
- **Phone Numbers & Addresses** of all Drivers, Passengers, & Witnesses
- **Year, Make, Model, Color, & License Plate Number** of All Involved Vehicles
- **Photos** of All Vehicle Damages & Accident Scene
- **Police Report** Incident Number, Officer Name & Badge Number

**AFTER AN ACCIDENT,  
LLOYD INJURY LAW CAN  
HELP YOU FILE YOUR  
CLAIM FOR DAMAGES**
