MONTESSORI

Application Process

Thank you for interest in Little Paws Montessori!

We accept children between the ages of 2.5-6 years old and when fully potty trained. Our enrollment period occurs between June-September, though we do offer rolling admission throughout the year if space is available. We currently have waitlists for our future enrollment. We encourage applying to our waitlists in advance.

Please schedule a tour and fill out the Little Paws Enrollment Forms document to apply.
