Sophie et Les Petits

<https://www.sophielp.com/>

We are delighted to welcome Sophie Timpers, a Montessori-trained educator from Lille, France, who has been teaching French and *éveil musical* in preschools and parent & me settings throughout Los Angeles since 2005, using her own French compositions in the classroom. In 2011, Sophie created *Sophie & Les Petits* with producer Yuval Ron, releasing three albums of playful and dreamy French chansons that take little ones around the world through jazzy tunes, Middle Eastern magic, and sweet lullabies. She also developed Rhythmic Nation, an early childhood music appreciation program with a global and mindful approach, enriching children with multicultural awareness and a sense of unity through music. The focus will be on immersing the Little Paws students in French language and culture, particularly through music.

Little Feet Dance Academy

We are delighted to welcome Miss Cherylann herself, founder of Little Feet Dance Academy in Burbank, to Little Paws for a weekly dance class! Miss Cherylann specializes in teaching preschool-aged children and brings warmth, energy, and plenty of fun to every lesson. Children will explore a playful mix of dance styles, including ballet, tap, jazz, and hip-hop, while developing rhythm, coordination, confidence, and a joyful relationship with music and movement.
