

# HEART RIVER REA

## POWER TO YA!

### What is the REA?

The Heart River Rural Electrical Association is a non-profit co-operative that owns power distribution lines and poles in the County.

Our REA has 619 members. As a member, you are also part owner of our distribution system which includes 536 kilometres of line and 5,604 poles. If you have purchased an acreage or built a home or farm site in the Northern Sunrise County, you likely are a member of the REA.

### Are you a Member???

If you aren't sure about your membership status, recently purchased a property in the county or if you need a copy of your electrical service contract, please contact Cindy Toker.
