Please be aware that sizes may vary
based on nursery availability, and prices
are subject to change at any time.

Questions? Please call our office at 507-825-1185

Nursery stock availability decreases quickly, so we strongly recommend placing tree orders as soon as possible, with orders accepted through March for April delivery. If you're looking for other tree varieties or sizes not listed, please inquire about availability. For large orders, a 50% deposit is required before ordering. The Pipestone Soil and Water Conservation District reserves the right to cancel orders if nursery stock is insufficient or if the deposit isn't received.

All trees are grown from seed unless otherwise indicated. RC = root cutting. TR = transplant tree.

*may also be available as transplant trees
