Hi!

It's nice to meet you. Let me introduce myself!
I'm Mindi, a designer, artist, content creator and marketer. My unique skillset includes graphic design, illustration, web design, corporate branding, digital marketing, copywriting and much more. I approach each project with ambition to solve a problem, utilizing my broad range of skills and experience to achieve success!

I have a BFA in Graphic Design from Louisiana State University (GEAUX TIGERS) and over 22 years of experience in marketing and design. I have worked as part of a design team, collaborating on huge, national campaigns, as well as an in-house marketing expert, focused on expanding one company's brand. I have also worked as a freelance resource for smaller businesses, non-profit organizations and on community projects!

I would love the opportunity to show you how I can use my knowledge and expertise to help market your business, grow your brand, and increase your leads and engagement.

Please feel free to browse my online portfolio of projects, available at minditalley.com.

Thanks so much for your time and consideration!

Mindi Talley
