*Go into all the world and preach the Gospel to the whole of creation. -Jesus, Mark 16:15*

September of 2025

*“Eternal Rest grant unto them O Lord, and let Perpetual Light shine upon them. Amen. May they rest in peace, and may all the souls of the faithful departed rest in peace. Amen.”*

Praying for our dead is a vital spiritual work of mercy. The great care shown the Body of Christ in His burial, rebounds by our love to the care shown the dead buried in Calvary Cemetery. To honor the body as a temple of the Holy Spirit, now awaiting the final Resurrection, cemeteries remain vital to the Christian life. The Calvary Cemetery has been consecrated as a resting ground, a place to pray, a place to mourn, a reminder to live for the Eternal Life, and as a testament to the coming final Resurrection (Mt.16:27).

This is why keeping the cemetery beautiful is important. Yet, it is no easy task. Calvary Cemetery requires considerable resources to provide for watering, mowing, fertilizing, repairing, and cleaning. Currently (9/2025), the Cemetery is forced to pay a considerable amount to contractors for this work. There are months which require the Parish to subsidize cemetery efforts, cramping the ministry of both the Parish and Cemetery. Our desire is to gather enough volunteers to maintain the Cemetery without extraordinary cost.

Thus, Calvary Cemetery always welcomes direct contributions of financial resources *along with time and talent to the preservation of the Cemetery grounds*. If you would like to financially or manually support cemetery upkeep, please let us know.

Pax,

*Rev. Matthew Nash,  
Pastor, St. Patrick's Catholic Parish  
Chadron State College Newman Center*
