The Christian Wake Service

Following the model of Christ in the Garden before journeying to the Cross, the Christian Wake 'watches and prays (Mt. 26:36-41),' in preparation for the Funeral Mass; that is the offering of the One and Eternal Sacrifice of Christ on Calvary for the beloved dead.

The Wake will be held in the Church the evening prior to the Funeral Mass.

Although this is a noble Catholic Tradition, it is not a requirement.

If yes, please select which one:

☐ **The Simple Christian Wake Service:**

The Mass of Christian Burial

Graveside services are prayed only after the Sacrifice of Jesus (The Mass) has been prayed in the Church. Following the command of Jesus, Christians are to be buried or interred as a whole, meaning parts of the beloved dead are not to be divided among relatives.

Please record the following information for the Mass of Christian Burial, the Funeral Mass. If you would prefer not to make reading or hymn selections, the Presiding Priest can make those determinations. Please just let him know if needed.

The selection of Liturgical Hymns :

Concerning Sacred Music, Saint Augustine wrote: "Music, that is the science or the sense of proper modulation, is likewise given by God's generosity to mortals having rational souls in order to lead them to higher things." Sacred Scripture calls for us to have music. From Exodus to the Psalms to Ephesians we hear that music is made for the Lord, and people sing to God. Sacred Music must be safe- guarded to ensure that it helps people encounter the Divine, while enhancing the Theology of the Liturgy. When we attend Holy Mass, we step outside the self and the world, into the Divine. **"Sacred music is for the *glory of God* and the sanctification and edification of the Faithful (SC 26)."**

As such the Catholic Church has some guidelines on Sacred Music:

- **All Music Selections must be of Liturgical Origin. No secular music such as country songs, pop songs, rock songs, etc.. may be used, even if it was a song about the Lord. Please do not ask for an exception to this rule (MS43).**
- Hymns that oppose Catholic Tradition cannot be allowed, even if the song/hymn claims to be Christian.
- Classical Catholic compositions are normally appropriate in addition to what is found in the hymnal.
- Instruments are also important. In our High Plains Catholic Family, we adhere to the teaching of Jesus in His Church. Thus, the organ takes precedence. The piano is allowed and is used often. You will need to talk to the Parish Priest about any other instruments.
 - Small quartets or ensembles of classical instruments may be used.
 - Outside of this, other instruments should not be used.
