## SPRING INTO ORDER: PROTECT YOUR DOCUMENTS

March is the ideal month to review your legal and business paperwork before the busy spring season picks up. Staying organized now can prevent headaches later and ensures you're ready for any important transactions. A little time spent now can save you stress and last-minute scrambling down the road.

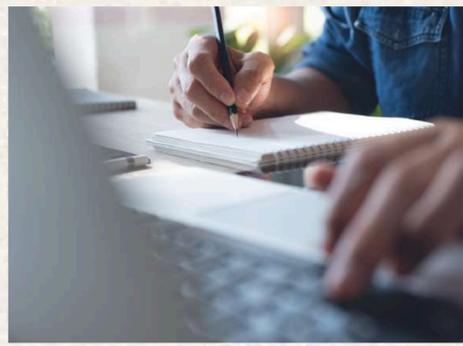

### Documents to review this month:

- ✓ Business Contracts & Agreements
- ✓ Tax & Financial Documents
- ✓ Estate Planning Updates
- ✓ Real Estate Paperwork
- ✓ Powers of Attorney & Healthcare Directives
- ✓ Affidavits or Legal Authorizations

Using **Remote Online Notarization (RON)** makes this process easier, faster, and more convenient. From reviewing documents to completing notarizations from home or office, staying organized has never been simpler — and it keeps your business running smoothly with confidence.
