We ask you to be **completely honest in each and every area** of this booklet. **Do not minimize, alter, or exclude** any details about any information in this booklet. THE POLYGRAPH EXAMINER IS AUTHORIZED BY THE DEPARTMENT OF PUBLIC SAFETY TO ASK YOU QUESTIONS ABOUT ANY DETECTED OR UNDETECTED CRIME IN WHICH YOU HAVE BEEN INVOLVED.

ACTIVITY INVOLVING DRUG USE AND/OR DISTRIBUTION

In recent years, drug use has become common in our society. The Department recognizes that it would be almost impossible to hire anyone who has not experimented with some drugs. However, it is important that the Department be aware of your prior experimentations because, as a peace officer, you may in the future be called to testify as a witness in a criminal prosecution of an individual charged with illegal drug activities, and the defense could ask about your own personal drug use in an effort to attack or impeach your credibility.

In addition, the Department needs to assess your involvement in the sale of drugs to another person (with or without profit to you); delivery of drugs to another person; transportation of drugs to be sold; trading of drugs for anything of value; manufacturing of drugs; cultivation of drug plants; or any other manner of involvement in a transaction involving drugs.

1. Have you ever experimented with any other drug, including, but not limited to, marijuana, K2, spice, bath salts, steroids, prescription drugs with or without a prescription, ecstasy, methamphetamine, or any other type of drug? If yes, for each drug you experimented with, use the space provided below to identify the drug, the number of times you experimented with it, when and where you experimented with it, the last time you experimented with it, and the last time you were around someone else using that drug. Yes ☐ No ☐
2. Have you ever experimented with drugs, including marijuana, while employed as a law enforcement or custodial officer? Yes ☐ No ☐
3. Have you ever sold, manufactured, cultivated, transported, delivered any type of drug or falsified any type of prescription for any reason? If yes, use the space provided below to describe the activity, the number of times you engaged in that activity, and when you engaged in that activity. Yes ☐ No ☐
4. Have you ever lived with anyone who used or experimented with any drug? Yes ☐ No ☐
