Dear Parent/Guardian,

Thank you for expressing your interest in enrolling your child at Journey Academy. JA has been serving the eastern Metro Atlanta area since 2015. We are a small school with a capped enrollment of 100 students which allows wonderfully rich relationships between students, parents, teachers and the wider community.

Our Christian faith is at the heart of our school. At Journey Academy all children are encouraged to live out the school's motto, "Obtaining Personal and Academics Success Daily", and to display the school's values of love, justice, compassion, forgiveness, service, quality, courage, humility, hope and appreciation. Students experience a rich curriculum across Literacy, Mathematics, Humanities, Science, Health, Physical Education, Music, Art and Christian Studies. Their learning is enhanced by a range of project-based learning experiences.

The school is served by a highly experienced and motivated staff who look forward to joining with you as you seek to provide the best education possible for your child. I look forward to meeting you at an interview or tour. Our school website contains further information about the school and please do not hesitate to contact us if you have any questions or require further information.
