

We are excited to be opening our doors for in-person appointments! Our primary concern is safety for everyone who enters our space. We kindly ask that you read and follow the listed protocols below before entering our offices:

- If you or a member of your household is experiencing any symptoms of illness (shortness of breath, coughing, sneezing or fever) in the last 14 days please stay home
- If you or a member of your household has been out of the country in the last 14 days please stay home and self-isolate
- Upon entering our office, please wash your hands or use hand sanitizer
- While in the office, try to maintain a physical distance of 6ft (2m) between yourself and other people in the agency
- Adult and child face masks are available upon request
- When arriving for your appointment, we kindly ask that you try to not be more than 5 minutes early to allow for sanitation protocols
- Due to the limited space in our waiting room we kindly ask that clients be dropped off for their appointment when possible
- Before arriving for your appointment, we ask that you complete a quick COVID-19 self-assessment that will be emailed to you prior to your appointment

Thank you and we look forward to seeing you soon!

Sandy Bryce
Executive Director
