

2nd Annual ASBA Youth Purebred Sheep Purchase Incentive

Breeders aged 21 years and younger, residing in Alberta are encouraged to enter the contest. ASBA is offering \$500 towards the purchase of a registered purebred animal in 2023 through the All Canada Classic, Provincial Sale or private treaty.

Entries will be open until May 26, 2023. Winner will be announced on June 5th.

Alberta Sheep Breeders' Association encourages overall and consistent improvement in the breeding and management of purebred sheep in Alberta with emphasis on promoting youth in Alberta.

Give us your entry with your favourite breed, the reasons why it's your favourite, and how it fits in your operation. We are also requesting a brief summary on the importance of maintaining registration records and buying registered purebred animals.

Please include a photo of your favourite breed (extra points if you're in it too!).

Submit your entry to office@albertasheepbreeders.ca
