Deanna Jackson

Deanna grew up on a farm south of Minburn, Alberta. Her family has a cattle and sheep operation, lambing 80-100 ewes each spring. She attended Grade 1-12 at Innisfree Delnorte School. She was very active in sports participating in volleyball, curling, badminton, track and field and fastball. She was an active member on the Student's Union and was Grad President in her senior year. She was a member of the Mannville Multi 4-H Club in the sheep project for 9 years. Over that 9 years she won many awards in 4-H including Public Speaking, Project Book, Judging, ATB 4-H Award of Excellence - Platinum level and Proficiency Award 2 years in a row. She also qualified 3 years for 4-H Provincial Judging winning Reserve Champion Sheep Judge in 2009. She also completed the Green Certificate Program in Sheep Production in High School. She has always been very interested in raising sheep on her farm and was a great asset to her parents during lambing and throughout the year. She is currently attending her 2nd year at Lakeland College in Vermilion taking the Environmental Conservation and Reclamation Program.
