Mission Impossible: MIATA

Due to scheduling conflicts, solar flares, the winter solstice and a New Year's Eve hangover, there will be no organized FCMC driving event in January.

Instead, your intrepid News Letter Editor is giving every First Coast Miata Club Member a mission, if you choose to accept it.

There are three conditions:

1. You need to drive your Miata somewhere this month.
2. You need to take a picture of your Miata somewhere.
3. You need to email your picture to the Newsletter Editor at cbusch64@aol.com by Sunday, January 28, 2024.

The Newsletter Editor will disavow any knowledge of your participation in this top secret mission if you are caught, arrested or ticketed in the pursuit of this highly risky mission.

You may recruit additional agents to aid you in this mission if you deem it necessary to improve the artistic quality of the "glamour" shot you will take to capture the "moment".

As usual, this newsletter will self-destruct in 5 seconds.
