

Andrew Sollenberger

senior graphic designer

Hello, my name is Andrew Sollenberger, and I have been designing since 2012. What started as a hobby of photography has become my career in design. I graduated with honors from Sinclair Community College in May of 2015, with my Associates of Applied Sciences in Visual Communications, from a program that is National Association for Schools of Art and Design (NASAD) Accredited. I have a diverse work background encompasses an exceptional work ethic and commitment to completing objectives, giving me the know-how to get the job done right, and on time.

work experience

Senior Graphic Designer Graphic Designer Exhibit Concepts Inc.

April 2024 – Present
June 2021 – April 2024

Returning to the role, I again had the privilege of collaborating directly with clients to craft tailor-made graphics using the Adobe Creative Suite, primarily for trade show booths and permanent environments. I took great care in preparing these graphics for production, considering a wide array of production methods to ensure top-notch results. Additionally, I actively contributed to the development and upkeep of the company's branding, as well as assisting with branding for smaller internal entities within the organization.

Engraving Shop Manager Wright-Patterson AFB

August 2020 – June 2021

As a manager, I led a team of engravers and sublimationists, ensuring accurate and efficient project execution within tight timelines. I also assisted clients with the creation of their custom orders in CorelDRAW. I managed my teams schedules, cash register, paperwork, and maintained and replenished monthly inventory and stock through timely ordering procedures.

Graphic Designer TCA Graphics

August 2016 – June 2018

In my role, I collaborated with clients to craft personalized t-shirt designs, which were subsequently prepared for various production methods such as screen printing, embroidery, or vinyl heat press. Engaged with a diverse client base, including contract customers, local colleges, nearby businesses, and residents seeking customized apparel. Utilizing a range of software programs, including CorelDRAW and the Adobe Creative Suite. Additionally, I played a key role in redesigning various company assets such as vehicle wraps, in-store advertisements, window clings, and a fully redesigned website.
