- Now thru October General Meeting – Nominations Committee to work on putting together a slate of Officers and Directors - **Done**
- October General Meeting - Nominations Committee to present slate of Officers and Directors to the club. - **Done**

- November General Meeting – Election of Officers and Directors.

My thanks to Bob and Bill for their participation in the process. We will be holding the election of the 2024 Officers and Board as the first order of business at the November meeting. Each Membership has one vote.

As we have an uncontested slate, the Commodore can call for a vote of acclimation with an “Aye” vote carrying the day for the entire slate.
