

June Fleet Captain Report

Summer Sailstice Cruise

June 20th & 21st

We had four boats participate in the 2020 *International Summer Sailstice* event.

Captain Bill Sloan on *Resolute* came out with the fleet for a day sail.

Three other boats were out and sailed to the south end of Anclote Key anchoring near the lighthouse.

The boats that did the overnight were:

- Capt. Dave Heckman on *Beschwipst*
- Capt. Tim Sander on *Paisley Mae*
- Capt. Dan Wallace on *Cool Breezes*

The fleet rafted up for sundowners and chow then broke up for the overnight.

The weather window was as close to perfect as you could with great winds , sunny days and quiet night on the hook.

Our July 4th Fireworks Cruise was cancelled due to the cancellation of fireworks displays by the City of Clearwater. There are no cruises planned for August.

Following are some photos from the cruise.
