

Welcome to the Hudson Beach Yacht Club's 2022 racing season! All sailors are welcome to participate regardless of skill level.

We enjoy having new people and new boats join our races. Our goal is to grow the sport and have fun.

We look forward to enjoying a few hours of racing and then gathering afterwards to tell stories, have a bite to eat and enjoy a beverage.

Start planning now for a fun-filled season of racing!

February 6	Season Opener Race
