

## **2025 SEASON SERIES POINTS SCORING (for each race)**

The 2025 Season Series Points scoring will be essentially the same as last year.

As in the past, you will need a WFPHRF rating for your boat. This does not need to be a current rating, as long as it is still applicable to the configuration of your boat.

We will keep the points total for each racer and award trophies for the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place point leaders for the racing season. The more races that you enter, the better your chances of winning a "Season" trophy!

The points for each race will be determined using the "Low Point Scoring system" for each race as follows:

- The winner will receive a score of "1".
- Second place will receive a score of "2".
- Third place will receive a score of "3", etc.
- **DNF** (boats that Start, but Do Not Finish) will receive a score equal to the number of boats that started the race (same as finishing last).
- **DNC** (boats that do not come out to race-Did Not Compete) and **DNS** (boats that come out to race but Do Not Start) will receive a score equal to number of boats that started the race, plus 1.

An example based on 6 boats starting the race and only 4 boats finishing:

First Place	1 pt
Second Place	2 pts.
Third Place	3 pts.
Fourth Place	4 pts.

DNF	6 points for each boat that started but did not finish
DNS and DNC	7 points for any boats that did not race

**FINAL SEASON SERIES STANDINGS:** The final Season Series Points will be determined as follows (based on the number of races held for HBYC points):

- 8 races held: Best 6 scores (2 drops for each racer)
- 7 races held: Best 5 scores (2 drops for each racer)
- 6 races held: Best 5 scores (1 drop for each racer)
- 5 races held: Best 4 scores (1 drop for each racer)
- 4 races held or less, no drops

If the final points total results in a tie between any racers, the points totals, without drops, will be used as the tie breakers.
