

Thank You!

It was amazing... club members certainly poured out their hearts and opened their pocket-books for this year's Toy and Foodstuff Drive for the students of the Hudson Primary Academy. This year, instead of loading up two vehicles (aka sleighs), it took THREE to deliver the gifts. This has been an especially tough year financially for most under-privileged families; your kindness and generosity will make all the difference in the world to so many of these children and their families this Christmas. Thank you so much again for making this year's drive the very best ever!

May God Bless you this Christmas Holiday Season and all year long!!
