

# RACING

Welcome to the Hudson Beach Yacht Club's 2025 racing season!

All sailors are welcome to participate regardless of skill level.

We enjoy having new people and new boats join our races. Our races are informal and we will offer help to anyone who is new to racing and would like to participate.

Our race days usually consist of a few hours of racing and then gathering afterwards to tell stories, have a bite to eat and enjoy a beverage.

The following is our race schedule for 2025:

February 22,23    Gulf Harbors YC Spring Regatta (HBYC Points)

March 8                Spring Fling Trophy Race

March 22              Points Race

April 5                 St Martins Trophy Race

April 19                Points Race

May 17                 Women at the Helm Trophy Race (no points)

September 20,21    Gulf Harbors YC Fall Regatta (HBYC Points)

October 4              Scandia Cup Trophy Race

October 18            Hudson to Hooters Trophy Race

Come on out and join us and have some fun!
