

Zelle

We are happy to announce a Zelle account for HBYC and new members who have access to Zelle to be able to use it to make ***all payments*** for the club.

You will be able to pay membership dues (new & renewing), event fees, race fees, etc. using Zelle. Nice thing about Zelle is that there is no fee to either party.

- You need to check to see if your bank has Zelle available (most do these days) and apply to turn it on if they do. If you use a mobile app to bank you should find Zelle under ***Payment Options***. It will be at the same location for computer online banking.
- Once you have access to Zelle, you can use the club's name and the email to send the money.
- Send your money to: "***Hudson Beach Yacht Club INC***" at the following email:
HBYC.Purser001@gmail.com
- Be sure to put what the money is for in the "MEMO" space on the payment form. That will save our purser, Anne Lairmore from having to call you.
