THE MONTHLY LOG OF THE HUDSON BEACH YACHT CLUB

Volume XXXVI Number 1 January 2022

Greetings from your new Commodore and the 2022 Board of Directors. Please remember the officers are here to serve you, the club and the members. If there are any suggestions or comments, talk to me or one of the other officers. We welcome your input.

What a fantastic Christmas Party! We had the largest turnout in several years, with plenty of food, lots of dancing, and great entertainment provided by "All Shook Up", And a rather challenging gift exchange! Many thanks to Sue Gelineau and her assistant, Nancy Colson, as well as those members who assisted and supplied the tasty desserts.

We also had a wonderful January meeting and potluck dinner to kick off the new year. Kudos to the social committee for putting together such a delightful dinner and to all the members who provided the delicious meal. It was a full house with three new members and many visitors in attendance.

We will start our sailing season next month and I look forward to several races in conjunction with Gulf Harbors YC during the season. Our racing director will coordinate several weekends of racing with them during the year.

Our kayakers are set to have a full calendar of activities and trips. In addition, we are planning many social activities and other fun events. Please see the newsletter for details on these activities.

In closing, don't forget your membership renewals and a photo for the directory if you desire. I will pledge to do my best to measure up to the excellent officers we have had in the past and to make this a great year for the club. While I have some big shoes to fill, I look forward to having a great year in 2022

Your Commodore,

Dave Bauer

General Meeting Minutes , January 4, 2022

The General Meeting for January 4, 2022 was opened by Past Commodore Don Himes at 6:30 with the Pledge of Allegiance to the Flag. The Potluck Buffet line was opened for all. Commodore Himes opened the meeting at 7:30 with a warm welcome to our visitors. The minutes of the December 7, 2021 meeting were accepted.

Eight Bell Ceremony was held in memory of deceased members of the previous year. The Ceremony was performed by three time Past Commodore Guy Colson in memory of longtime members Bob Polk, former Race Director, and Gene Michaux, two time Past Commodore and also a previous Race Director. Guy reminded us that it has been Gene who did the 8 Bell Ceremonies in the past, and he was honored but saddened to do it now for him, and hoped he would do as good a job. Guy read the poem "When Tomorrow Starts Without Me" written by David M. Romano.

When tomorrow starts without me,
please try to understand,
That an angel called my name
and took me by the hand;
The angel said my place was ready,
In Heaven far above,
And that I'd have to leave behind
all those I dearly love.
But when I walked through Heaven's Gates,
I felt so much at home,
for God looked down, smiled at me,
And told me "Welcome Home."
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right there in your heart.

After the poem, he rang the 8 bells and we observed 1 minute of silence.

Change of Watch ceremony

Racing Director Eric Glaser spoke of his race schedule which is in the Racing tab of the website. He emphasized the new setup he arranged with Gulf Harbors Yacht Club racers in which all would race off Hudson Beach on Sat, sail to GHYC for overnight and race off their location on Sunday afternoon. We would have access to the facilities including the restaurant, bar, docks, and washrooms. These dates would coincide with their Winter, Spring and Fall Regattas. He has also scheduled an early start to the February 1 meeting here, beginning at 6:15 pm for information about racing, the "hows" of it, ratings for boats, the need and what's involved in doing the Committee Boat duty and any other questions that arise.

Membership Director Anne Lairmore reported we have 2 new member couples (Larry & Jackie Shoeman) & (Michael & Sheila Kostares) as well as the rejoining of Jim & Ginny Bradfield. We will be asking folks to submit a selfie head shot of themselves, single or couple, to Anne for the new Directory. She will take the photo for you if you would like. This will help all of us learn who everyone is.

Social Director Cheryl Glaser highlighted several types of activities we do during the year such as breakfast on the beach, dinghy race, potluck dinners, pizza night, ice cream socials, dances as well as possible dinner theater events. All events will be in the calendar and on the website. She is always interested in hearing from members about other possible activities. She thanked everyone for the vast array of food provided for tonight's Potluck and also those who helped setup. Please take your leftover food home with you.

Publications Director Guy Colson urges all directors to please get reports in to him before end of business Fridays in word format.

There will be a Celebration of Life for Gene Michaux on Saturday, February 5 from 2pm to 5pm at the Sea Ranch Club House, Check the website for addresses of the charities the family designated for donations in lieu of flowers.

Motion for adjournment was made at 8:30pm.

Here is a unique opportunity to own a classic 1974 Bristol 32' Sloop! Includes a full complement of sails...Main, Jib, and Genoa. Engine (18HP MWM Diesel) and transmission have been removed from the boat but were repaired with documentation and ready to be re-installed. This boat comes complete with an 8' fiberglass dinghy, has 4 berths and a head (no tank), VHF radio, Wheel Steering with pedestal and compass.

It is a Keel/Centerboard but the centerboard is missing, it draws 3'10".

This boat has not been used in the last 20 years so needs quite a bit of cleanup and TLC, but the best part is that:
