THE MONTHLY LOG OF THE HUDSON BEACH YACHT CLUB

Volume XXXV Number 2 February 2021

January - What a month! The assault at our nation's capital, the riots in Portland and Seattle, Covid continues to rage, unusually cold weather, our newest member passes away shortly after joining the club at the January meeting, one of our Past Commodore's is changing a lightbulb - falls breaking his shoulder and is in rehab, the Buccaneers play three playoff road games - two against top seeded rivals on their home fields and wind up in the Super Bowl being played in Tampa, the Covid vaccines are beginning to get out to the population, hospitalizations and deaths are dropping, baseball is starting on schedule this season, and the Bolts and NHL are going gangbusters.

Whew, talk about a mixed bag. One day we hope to be what can be called "Normal" again, though it probably won't resemble the "Normal" of 2019. Through all this HBYC is pressing on and looking to have a "mostly normal" 2021. We had a good turnout of some 30+ folks at the February meeting and welcomed new members Eric & Cheryl Glaser who are sailors interested in racing. Welcome aboard.

Race Director Dean Perry had a well-attended racer's meeting before our regular meeting started to go over the race rules and dates. With Dean at the helm, it looks like we're going to have a great season. Our first race is the 13<sup>th</sup> weather permitting.

Our kayak program is also off to a great start and the first trip of the year was on the 6<sup>th</sup>. Our Kayak Director Joan Berends has an ambitious year of trips planned.

March will mark our first Breakfast on the Beach in a long time. Sue Gelineau our Social Director will be putting out more on that. Sue is off to a great start with a very well-done hot dog picnic for the January meeting and I'm sure the Breakfast on the Beach will be great as well.

Looks like I'm running out of space so, one final thought. My thanks to all the folks on the board and "regulars" who have braved the pandemic to come and support HBYC. I believe we have something special here and that how we have come through this terrible and trying time is proof of that. So, thank you everyone and let's keep on keep'n on.

Till next time,

Aloha

**Don**

*PS - Aloha is the Hawaiian greeting which means hello, goodbye, love, affection, peace, mercy, and compassion. Good word for these times.*

## February 2021 Social Director's Report

I would like to let everyone that helps in the kitchen, during our meetings, to know that you are greatly appreciated.

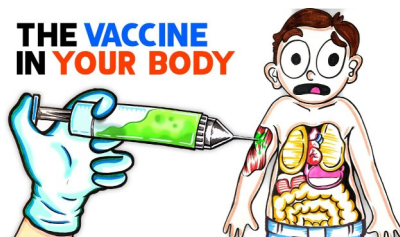

Looking at the calendar, we have a couple events coming up. The first is a Breakfast on the Beach on Saturday, March 20th @ 9am. We will be at the pavilion on the south side of Sam's Beach Bar. All food and drink will be provided by the club. This one is **not** a pot luck, due to Covid.

If you are tired of ham after Easter, come to the General Meeting, on April 6th, and enjoy some pizza. We will have the normal beverages set up before we start, and the pizza during the break.

Hopefully the numbers for Covid will be going in the right direction so that we may have a pot luck soon .I for one am missing all the wonderful dishes each and every one of you make.

Until I see ya'll at the next event, stay safe.

*Sue*

## RACING REPORT - FEBRUARY 2021

Prior to the start of the February General Meeting, we held a race meeting for anyone interested in racing with the HBYC this season. We discussed the new "A Fleet" and "B Fleet" system, race schedule, scoring method and after-race parties. There is also information on the HBYC Website ([myhbyc.com](http://myhbyc.com)) under the racing tab, regarding these topics.

Our first race of the 2021 season, "SEASON OPENER", is scheduled for Saturday February 13. A flyer is attached. Please note that I have changed the location of the after-race party. It will be held at Ollies, on Clark St. I also suggest that you bring a chair, since we will be outside in their patio area and there may not be enough seating available.
