

Web Site Director Responsibilities

- Attend monthly club and board meetings to represent HBYC website activities
- Determine and evaluate content for the HBYC web site.
- Solicit input from the Board and Members alike to ensure that the site has up-to-date current information as relates to club activities.
- Purge outdated information periodically to keep the site easy to navigate and germane to current events and schedules.
- Attractiveness, currency of information, along with easy navigation and user-friendly attributes of the HBYC website have been a source for new members interested in joining or getting to know our club.
- Additionally, it continues to be a resource for club members to quickly find answers and information.
- Continue to maintain and improve, where possible and practical, these characteristics
