

Greetings from your Fleet Captain

May - June Report

As Fleet Captain my goal is to get our fleet (power and sail) out on the Gulf as much as possible, given the current state of affairs.

I had an ambitious calendar of club sail/power events and other Day on the Gulf day sails as well.

On *May 1st and 8th* we had two afternoon day sails. Both days presented us with extraordinary conditions – great temperature, low humidity, great winds and clear skies. Two absolutely great days to be on the Gulf. I have posted a Photo Gallery with some great shots from those days on the Fleet Captain Page on www.myhbyc.com.

Our cruise for June 6 & is cancelled and **replaced** by the cruise on **June 20th & 21st** when we have the **2020 International Summer Sailstice Cruise** wherein we will sail to Anclote and find an anchorage for the night and return the next day. Please see the flyer for more info.

I have revised the Cruise Plan and posted to the website on the Fleet Captain Page. Hopefully things will continue to improve and we can reschedule some of the cancelled trips. Time will tell.

Meantime, stay safe and be well.
