

# ***Race Around Anclote***

## ***Sunday October 1<sup>st</sup>***

### Things to know about the race

- HBYC boats are welcome to stay at the GHYC docks Saturday night 9/30 before the race.
- Skippers, crews and friends are welcome at the club for dinner the Saturday night before the race.
- Our Captains meeting will be Sunday morning at 11am on the GHYC patio. Sailing instructions and the course will be given at that time. That would also be the best opportunity for anyone looking to race that day, to find a ride for the day. No one will be left behind.
- The race start time will be around 1 pm, give or take a few minutes.
- Unfortunately, there will not be a post-race dinner due to the length of the race and the expected time between finishers. I am sure that we will gather on the patio and drink a few beers after the race.
- Awards will be presented at a later date.
- Boats are welcome to stay Sunday night (10/1) after the race at the GHYC docks.
- Eric Glaser is the contact for the race. Please let him know if you intend to race and if you will bring your boat to the GHYC docks Saturday and maybe Sunday as well. His contact info is in the HBYC Directory.
