I am requesting the following assistance from rescue:

[ ] **Coaching/Advice/Referrals. No cost.**

Dogs are loyal, sentient beings that love unconditionally. Dogs really do want to please you and most often have no idea what you expect of them. Before you give up on your dog, please consider taking advantage of our unlimited, no cost support. Many problems, both big and small, can be successfully resolved with the help of an experienced coach.

[ ] **Rehoming My Dog - Courtesy Post: \$50**

When all else fails, rescue can help find a new home for your dog by courtesy posting him/her and targeting breed-experienced adopters. We often will ask for additional information before posting so that we can help identify the best possible home for your dog. We will market your dog by posting photos and/or videos, and a biography and interested parties will contact the rescue. We require all interested parties to complete a written Application for Adoption and complete our Adoption Process, which includes a thorough screening and home check. We will coordinate an introduction/meet and greet with the potential, pre-screened adopter and you and your dog. If we all feel it is a fit and your dog is adopted, we will guide you through the next steps, to include legal relinquishment of your dog to his/her new owner and provide the necessary documents so that ownership and the microchip can be legally transferred. We will ask the adopter for an adoption donation that is made payable to the rescue. Once your dog is posted, there will be no refund of the Courtesy Post fee. If you decide, for any reason, that your dog no longer needs to be courtesy posted, please notify us immediately so the post can be deleted/deactivated.

[ ] **Relinquishing My Dog - Amount Varies and /typically requires a minimum donation of \$1,000.00.** (Amount is calculated based on many different factors including current available kennel space. Relinquishment donation includes kennel space, care & feeding of your dog until rehomed, any routine or urgent veterinary care your dog may need after relinquished, training/behavior modification, marketing of your dog and completion of the Adoption Process.

***Please describe the reason(s) for your wanting to rehome or relinquish your dog:***

Please submit this form along with at least three (3) current photos of your dog – face/head, body, and one depicting him/her in an environment or post that shows the dog’s personality. The quality of the photos have a great impact on increasing your dog’s chance of adoption. In addition to the 3 photos, you may also send a short video.

***I certify that I am/we are the legal owner of the dog and that the information I have provided is true and correct.***
