

Bodhi came for a drink.
He stayed for the wisdom.

At the Cowboy Beach Bar,
the Salty Sensei — a weathered
bartender with a cowboy hat and
a lifetime of stories — answers
questions about love, happiness,
purpose, and life in the digital age.

Told through twenty conversations,
this book is equal parts humor,
heart, and island philosophy.

THE SALTY SENSEI

WORDS OF WISDOM
FROM A SALTY OLD SOUL
