

COVID-19 and/or other Communicable Diseases Warning

The Pines Christian School has enacted enhanced health and safety measures for our students, parents, and employees. Our goal is to do our part in curbing the spread of communicable diseases including COVID-19 while maintaining an educational, nurturing, and creative environment for your children. An inherent risk of exposure exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death.

According to the [Centers for Disease Control and Prevention](#), senior citizens and people with underlying medical conditions are especially vulnerable. By enrolling your child at The Pines Christian School, you voluntarily assume all risks related to exposure to COVID-19 and other communicable diseases. Let's keep each other healthy and safe.
