## Declarations

**Religion-** I understand that the Pines Christian School is a religious school. Although everyone is welcome to attend regardless of religious or non-religious affiliation, I understand that Christian tenets will be incorporated into many aspects of the program. Because our Faith is an integral part, there is no way of separating students from certain activities (Chapel and prayer for example). Families who are uncomfortable with their children being exposed to Christianity should consider enrolling in a secular summer program.

\_\_\_\_\_ *Initial that you understand and accept the statement above.*

**Special Needs Students-** It is our hope that our program will benefit every student who attends, but we understand that not every student will benefit from or is suited for our program. At the discretion of the Director, some minor accommodations may be available. Student enrolled who require assistance beyond the expertise of our staff may be asked to leave at any time at the discretion of the Director.
