About Us

The **Anomaly Fashion Group** was founded from the vision and momentum of the **Anomaly Fashion Experience**. It serves as a bridge—connecting fashion creatives to greater opportunities for visibility, education, and income through their craft.

Building on the success of the Anomaly Fashion Experience, the Anomaly Fashion Group is dedicated to producing innovative, fashion-centered events that cultivate community, empower creatives, and expand the reach of artistry throughout the Midwest and beyond.

Anomaly Fashion Experience

An immersive fashion experience showcasing cut and sew designers, celebrating creative excellence, and as of last year, honoring real-life anomalies who have overcome adversity and continue to inspire through resilience, impact, and community influence.

Mission

- Elevate designers & creatives
Provide a high-fashion platform that showcases emerging and established designers & creatives in the Midwest.

- Inspire through experience
Curate immersive, high-energy fashion experiences that ignite inspiration and push creative boundaries.

- Celebrate resilience
Honor and highlight individuals who embody strength and the spirit of overcoming through life's challenges
