Every Great Zoey's Pizza Begins with the Crust!

Chicago Style

At its best! We start with our own olive oil crust, hand-pressed into the pan, layer the bottom with freshly sliced mozzarella (yes, we put it on the bottom), pile on any of our great toppings and top it off with Zoey's own secret chunky tomato sauce. (This pizza is very filling, so order carefully and allow extra cooking time.)

New York Thin

Like your pizza with everything? Make it a New York Zoey! Try the Taco Pizza, or create your own from our list of fresh & tasty toppings. Don't be shy—pile it on!
