DETAILS:

In this event the moon will cross in front of the sun, blocking the light to the earth. While Florida is not in the direct path, we will see about 50% coverage, but with clear skies it will still be dramatic.

We can watch this event as a community and enjoy the FREE light refreshments that will be provided.

**YOU CANNOT LOOK AT THE ECLIPSE WITHOUT EYE PROTECTION.**

**\*\*\*ALL WHO R.S.V.P. by April 1, 2024  
WILL BE PROVIDED FREE PROTECTIVE GLASSES\*\*\***

---

**(DETACH & DROP this R.S.V.P. in the designated box in the mailroom by April 1, 2024 to reserve your FREE GLASSES to watch the eclipse)**
