

Greater Kent Historical Society Announces

ART OF THE PANDEMIC

Calling all photographers, writers, painters, and other artists! The GKHS and Kent Museum invites you to join our online gallery showcasing life, through art, during the Covid-19 pandemic in our community. The pandemic has affected everyone in big and small ways. Here is an opportunity to express yourself in your chosen medium. ALL AGES WELCOME! We look forward to the green-crayon spiral to pottery and ceramics.

AN ONLINE EVENT

Please email photographs or files of your original works, including art pieces, photos, poetry, short stories, etc.

Please note that no names, ages, or locations will be posted
