Dear Anaheim Residents,

**I was recently the target of a very suspect lawsuit designed to remove me from the 2022 ballot** and stop me from running for Anaheim City Council. Imagine that: **"someone" tried to take away your democratic rights as a voter** simply because I'm threatening their corrupt empire! This lawsuit was not cheap - speaking as a very experienced lawyer, it cost tens of thousands of dollars - and was funded by the very special interests that I am campaigning to take down!

Thankfully, the Honorable Judge saw through this and ruled in my favor. I remain on the ballot. I also remain a target. **And now I need your help more than ever.**

**This campaign is about you.** It's about our city. It's about restoring total integrity to Anaheim's local government! We must eliminate the corruption and the special interests that have been exploiting us for decades. They are going to try even more dirty tricks to stop us. They want to deplete the campaign's funding so that we can't get the word out. And that is where you come in.

**I am urgently asking you to make a donation. Anything helps .** \$50 buys us signs seen by thousands every day. \$100 can buy us enough mailers to inform hundreds of individual voters about our efforts. Together, we will stop these corporations and developers from pillaging our home.

You have my sincerest thanks. Please donate. Please forward this to your friends.

As a longtime consumer advocacy lawyer and a former Anaheim City Commissioner, he entered the race due to the revelations of corruption in City Hall. There is an ongoing FBI investigation into what's known as 'The Cabal'. The FBI affidavit listed the Anaheim Chamber of Commerce and Disney, in addition to other lobbyists and special interests, as controlling and directing the Anaheim City Council. WE NEED CHANGE. WE NEED HARI LAL.*
