In this past Sunday's paper, the Editorial Board of The Orange County Register gave a true shock to the establishment by **heartily endorsing Anaheim City Council - District 6 candidate HARI LAL.**

"The Editorial Board's comments are as follows."

"For Council District 6, we endorse Hari Lal. This choice is a no-brainer. Lal is an attorney who has been active in Anaheim neighborhood politics for years. He's brimming with energy and ideas - including great ones such as creating a city ombudsperson. He is an unabashed opponent of the pro-subsidy culture. He's a delightful character who restores our faith in grassroots politics.

His opponent - former public works director Natalie Meeks - is a bland establishmentarian. When pressed, she couldn't name a single idea to reform the city's politics. That floored us. She spoke about the many times she oversaw the city's use of eminent domain. The hotel and lodging association's political action committee backs her. Blech."

In response to the endorsement news, Mr. Lal said: **"I could not be more humbled or awed by the Register's endorsement.** I'm grateful they believe in our campaign. I'm also deeply touched by the outpouring of support we've gotten from Anaheim Hills residents. I meet so many people every day: republicans, independents, democrats, no party... maybe they reject all parties... and they all know I'm the guy who's fighting to clean house here. **After thirty plus years, they've seen what I can do and that I have their backs!"**

The same endorsement article, covering the entire city of Anaheim, highlighted 3 other committed reformers including Ashleigh Aitken for Mayor.

P.S. We're throwing a free special event - with free drinks, free finger foods, and all the fun you can handle - on October 13, 2022, at 5:00P.M. We're keeping the location secret for now, but send your RSVP email to info@lalforcouncilman2022.com, and you'll get the address just prior to the event. Please send your name and zip code with the subject line "RSVP 10/13".

P.P.S. The establishment is beginning to get angry... the attacks on Hari Lal, including the vandalism of campaign signs and banners, is escalating! We need financial assistance to fight this, replace damaged materials, and get the word out about Hari's candidacy. Anything you can give... we will gladly accept. **Can you chip in right now?**

Hari Lal is a candidate for Anaheim City Council in District 6. As a longtime consumer advocacy lawyer and a former Anaheim City Commissioner, he entered the race due to the revelations of corruption in City Hall. There is an ongoing FBI investigation into what's known as 'The Cabal'. The FBI affidavit listed the Anaheim Chamber of Commerce and Disney, in addition to other lobbyists and special interests, as controlling and directing the Anaheim City Council. WE NEED CHANGE. WE NEED HARI LAL.
