Fish & chips are the comfort food we've all been needing these past few months.

Hamilton has a booming fish & chips scene and there's a little something for everyone and we all have our favourites.

There are the old stalwarts (ie: Parkdale Fish & Chips and Hutch's) and there are the hidden gems that are either new to the scene or who have been filling our bellies with delicious seafood for years.

So, without further ado, here are the Top 5 under-the-radar Fish and Chip shops in Hamilton. You'll want to try some of these!

1. [Harry's Fish & Chips](#)

My 96-year-old Nan says this is the best fish and chips in Hamilton and she knows best. The breading is thin and crispy and unlike any other on this list. You get more chips than any single person could eat and you have the option of adding on a 6oz tartar sauce side. The more tartar the better. My Nan and I highly recommend Harry's Fish & Chips.
