

## HARRY'S FISH AND CHIPS REVIEWS

// ★★★★★

*Best fish and chips in the Hammer's hands down! Thin, crisp, lightly battered fish cooked to perfection, served with an ample amount of fries and I suggest the homemade slaw as an add on! A small cozy gem tucked inside a strip mall on Fennell near Upper Kenilworth in Hamilton. Parking can be tight, but luckily there is a huge parking lot right across the street! Staff is very warm and welcoming! If you love fish and chips, you just gotta eat here!*

The batter is flavorful, the fish was of superb quality, the fries were cooked to perfection and the side of coleslaw was super tasty.
