Description of Work: The Bell Canyon Volunteer Wildland Fire Department was formed in 2020 in response to the Woolsey Fire, and is a 20-man department of trained wildland/urban interface firefighters.

Our plan is to erect a simple pre-fabricated steel shed/shelter that is 60' x 31' (1,860 sqft.), with room for four firefighting vehicles. The structure will be non-habitable, and will not contain any plumbing fixtures.

There will be a simple asphalt driveway at the front of the shed. At present, we own three apparatus, purchased with community-raised funds, but these machines require protection from the elements (the sun's UV rays can damage exposed firehose, and rodents can destroy engines). There is some urgency, therefore, regarding the construction of this facility. The Bell Canyon Association (HOA) owns the building lot, and has given full support to this project.

The lot is currently vacant. Address is 15 Baymare Rd., APN 850011113
