

INVITATION TO PARTICIPATE IN HAMLIN COUNTY PDM PLANNING PROCESS

The purpose of the Plan is to better understand the natural hazards that pose a threat to the area and develop actions that reduce the risk associated with these hazards. You are invited to participate in this survey to help gauge local household and business preparedness for disasters and to identify actions that would reduce risk and loss from natural hazards. The information you provide will help prioritize local risk reduction activities. To participate, use the following link to access the survey <https://survey.alchemer.com/s3/7675679/HamlinPDM>.
